## The TOMATO War

The Tomato war is in full progress. Nuts and even Chickens are participating in this battle. A war caused by the stealing of a tomato by Allan Revich after which Litsa Spathi declared the war. A tomato that belongs to Litsa Spathi..... The Fluxus Heidelberg Center is closely watching how the war develops. We will publish a booklet about the TOMATO WAR. Only when the peace has been signed the booklet will see the light. We aren't nuts to publish something in wartime. Details on the live developments in the war at: <http://fluxlist.blogspot.com>
