## John M. Bennett - USA

It is always good to receive mail from John M. Bennett. He is active as ever. He confirms that he received the CD with our Fluxus Performances. It took quite a while to cross the ocean. As thanks he sent us an envelope with a surprise content. Some booklets, a publication of our mutual friends Rea and Serge, and a small note, typically JMB style.

## Message from Delphi

**Litsa Spathi comes back from Delphi**

*Litsa Spathi comes back from Delphi with:*

**Oracular statement from Delphi:**

There are three roads, most distant from each other: The one leading to the honourable house of freedom, the other of slavery, which mortals must shun. The third road is the tomato-path leading to X-culture: a walk of responsibility and Nobody keeps the spirit alive.

Theatre, poetry, drama, sacred fire and Nothings is X-culture; it is the mirror of our X-society. It makes you proud as a Greek, as it is Nobody's history itself, or property and the heritage of Litsa Spathi and Nobody, who are counting the grains of sand on the beach and measure the sea, who understand the speech of the dumb and hear the voiceless. They should dare to continue the walk on the Tomato-path.
