WEDNESDAY, AUGUST 27, 2008

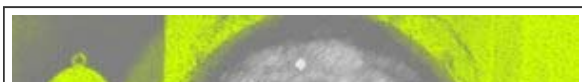

I had the idea to make up some FLUXKITS for a studio tour that the Contemporary museum here was hosting, and the Idea has ballooned from there - I am working on issue 2 - due out the middle of next month. It will be issued in an edition of 50 Kits, and we have a list of 20 museums, archives, and arts libraries that are willing to archive the whole series. If you're intersted, just send me an image, and I'll print them up, or send small objects / multiples / images in an edition of 50 - I'd really like to see a wide variety - maybe even sound or video work on cd make sure that the work contains your name, signature or stamp so that we know who it's from, and I'll send a complete kit to everyone who contributes, along with a list of participating artists. - It could be a fun project, and a way for us all to connect a little more. send your submissions to : keith9963@sbcglobal .net or by snail mail at Keith Buchholz
