brought him food . Next morning I was listening crows around the roof when i saw a big slice of cake in the yardcorner ( probably droped from the birds gathering) .Weeks later an egg appeared same place , a black bird used to scrap moss there , i decided to hatch that egg in my pockett .Alas! as i was removing a plank , i feel something tepid and sticky beneath my trouser . "Ono, jesus ! not at your age ! but it was the brocken egg .What a mess ! that was my wrecked artwork!

between the faubourg and downtown there is only one road along the market place and a lane other side of the river . Only 3,4 pedestrians use to walk there , one or two bicycles : see where they put this tourniquet on my way recently !

*incroyable! ça ne peut pas t'arriver ! entre le faubourg et la ville , au niveau de la place du marché (là ou sous l'abri bus pendant 7 ans la gendarmerie passait 3h par ci par là à montrer qu'ils regardaient du côté de ma maison - le début de la ligne jaune ) il n'y a plus qu'une route et une ruelle de l'autre côté de la rivière ; trois quatre piétons , deux vélos par semaine ! c'est là qu "ils" ont mis ce tourniquet sur mon chemin !*
