FLUXUS ST. LOUIS in collaboration with MUSEUM of CONTEMPORARY ART ST. LOUIS Open Studios

Presents a call for Mail Art, Publications, Fluxus, Sound and Video work to be presented at

Fluxus St. Louis / Artfarm . Exhibition will take place July 24th and 25th, 2010.

All types of work are encouraged, All work will be shown, as well as permanently archived by

Fluxus St. Louis for further exhibition . Throughout the exhibition, Keith A. Buchholz will give

Informal talks on Fluxus and Mail Art Networks. We are hoping for this event to be our largest yet.

Last year, we were visited by Curators from several museums and universities, art admirers from 6 states, and tour buses of interested people from the region. Fluxus St. Louis maintains an outpost for the Mail Art and Fluxus communities, as well as the extended Avant - Garde network and is the only place to see this kind of work in the region. Deadline for work is July 15th, 2010 .

Send work to :
